## Tremendous Reference-Level Performance

SPECIFICATIONS	
Colors	Midnight Black
Transducer	12" Long-Throw Woofer
Passive Radiators	Dual 12" 3XR™ Configuration
Bass Type	Bass Radiator
Dimensions	18.72" x 18.04" x 19.09" 475.5 x 458.2 x 484.8mm
Amplifier Type	Class H
Peak Power	1500W
Continuous (RMS)	500W
Frequency Response (-/+ 3dB)	25-150Hz
Low-Pass Crossover Freq	40-140Hz
Phase Adjustment	-135 to 180 degrees (In 45 degree increments)
LFE	Single RCA
Speaker	Left/Right 5-Way Binding Posts
What's in the Box	Subwoofer Slim Remote Control (Batteries Included) Power Cord Quick Start Guide

## Descend | DN12

Ultra-Performance, 1500W 12" Subwoofer with Dual 12" Bass Radiators

The DN12 subwoofer delivers high-impact, reference-level bass performance to any system. Loaded with custom technologies such as 3XR™ Architecture, Intelligent Phase Control™, Class H digital amplification, and its advanced 56-bit DSP, the DN12 provides loud, low, clear bass that blends beautifully into your reference-level music or home cinema system.

### KEY BENEFITS

#### Reference-Level Bass for Any System

Powered by Class H digital amplification and featuring an advanced 56-bit DSP, DN12 plays exceptionally impactful bass down to 25Hz.

#### Loud & Clear

DN12's unique 3XR™ Architecture featuring dual 12" bass radiators ensures that it plays louder and lower than ported subs without unwanted port noise distortion.

#### Blends Beautifully

Intelligent Phase Control™ provides 360 degrees of tuning, ensuring your bass blends perfectly with your entire system.

#### Customizable Sound

Its groundbreaking phase, volume, frequency, EQ and controllability make the DN12 sound precisely how you like it.

#### Get in Phase for Tighter Performance

Intelligent Phase Control™ provides a full 360 degrees of customizable phase adjustment, always centered around the settings of the low-pass filter.

### PRODUCT FEATURES

**3XR™ Architecture:** for shockingly loud, clear, deep bass

**Intelligent Phase Control™:** for seamless system blending

**1500W Peak Class H Digital Amplifier:** for pure power

**Plays as Low as 25Hz:** for deep impact in any system

**Advanced 56-Bit DSP:** for artifact-free bass extension

**12" Driver and Dual 12" Bass Radiators:** for maximum bass performance

**Remote with Display:** for easy, responsive tuning

**Limited Warranty:** 3 years amplifier, 5 years driver
